

On Tuesday, April 24, we had the last board meeting of the camellia year. During that meeting we discussed what we can do about the excessive amount of work with only a few helping. One of the areas that we feel could be simplified is the newsletter. At the beginning of the camellia calendar year (October) we could email members a list of all meeting dates and special events. Any other unscheduled activities could be emailed as needed. Reminders of each meeting can be emailed along with any announcements that may be pertinent.

Another idea is to share the privilege of getting sponsors. We have about 32 individual sponsors and if 8 people took 4 sponsors each, that job is done.

We also discussed some modifications for set-up at the show. If you have any other ideas for streamlining our organization, please let any of the board members know.

Our final event of the camellia year will be the May 20th luncheon at Mundo's Latin Grill in Turlock. We will begin at 1:30 pm. After the meal we will have an auction (bring something for it). Your cost for the meal is \$10.00. Our club will pick up the rest of the bill, except for alcohol. Please RSVP (537-9945 or email) by May 15. You may pay for your meal at the luncheon.

I hope we can see many of you there. Feel free to bring a friend.

YCF, Marvin
